Reorder / Low Stock — decision support

 UI-INV-006 Reorder / Low Stock has no dedicated frozen screen. Shown here as decision support only — it does not assign reorder/low-stock threshold ownership (DEC-INV-007, OPEN). The threshold column is an illustrative example, not a configured value.

ITEM	ON HAND	THRESHOLD (example)	SUGGESTED ACTION
White Bread 600 g	6 EACH	10 EACH (example)	No frozen reorder operation exists — review manually
3-in-1 White Coffee	9 EACH	12 EACH (example)	No frozen reorder operation exists — review manually
Laundry Detergent 2.5 kg	2 EACH	10 EACH (example)	No frozen reorder operation exists — review manually
